

Washington, DC -- The U.S. House of Representatives passed a resolution yesterday sponsored by U.S. Representative Michael A. Arcuri (D-Utica) congratulating the Hamilton College Continentals on winning the NCAA Division III women's lacrosse championship.

"This truly phenomenal team has demonstrated passion and commitment to their sport, racking up an impressive 21-1 record this year and creating the longest winning streak in Division III women's lacrosse," **Arcuri said**. The Continentals are shining examples of the products of hard work and commitment, and have inspired and brought pride to their communities and families."

On May 18, 2008, the Hamilton College Continentals women's lacrosse team captured the NCAA Division III championship and completed the best season in the team's 29-year history. This is first team in Hamilton College's history to reach the national semifinals in any NCAA championship.

"We are very proud of our women's lacrosse team's success, and we are thrilled for all that this great accomplishment means for everyone associated with our college," **said Hamilton Athletic Director Jon Hind**

. "Our team's winning the NCAA National Championship has brought a great deal of pride to our campus community, as well as to the entire Mohawk Valley area. The success these young women have experienced is a great tribute to their effort, perseverance, character, and understanding of teamwork."

The Continentals completed the 2008 season with a 21-1 record and won 19 straight games - the longest winning streak in Division III women's lacrosse.

Head coach Patty Kloidt was named 2008 NCAA Division III Coach of the Year by the Intercollegiate Women's Lacrosse Coaches Association. Kloidt, Amanda Nobis and Mackay Rippey were named the Liberty League Coaching Staff of the Year in 2008 and four team members won All-America awards this year.
